

KLAMATH 9-1-1 EMERGENCY COMMUNICATIONS DISTRICT

**Executive Director Keith Endacott
541-884-4876**

Press Release

**Klamath 911 Recipients of the
APCO/NENA 2015 Critical Incident Award
October 26, 2015**

The Critical Incident Award recognizes any individual, team, center or centers, who by deed or act, make an extremely noteworthy contribution which results in the successful handling of a major incident or combination of incidents beyond the average or normal activity level.

This award was presented based upon the performance of the staff in the August 27th, 2014 event where Deputy Jason Weber was shot while conducting a traffic stop. The presentation was at the state APCO/NENA awards banquet in Sun River OR, on October 14th. It was the extreme pleasure of the staff and administration of Klamath 911 Emergency Communications District that Deputy Weber and his wife were in attendance as our guest.
