Press Release

**Peace Officers Memorial Day
May 15, 2015**

It was President John F. Kennedy, in 1962 who signed a proclamation which designated May 15th as Peace Officers Memorial Day. A day that Peace Officers and Citizens could show their appreciation, gratitude and respect for those who paid the ultimate sacrifice as peace officers. Over time, the week that included this date became National Police Week. And the honor and appreciation extend to all those who serve as police or peace officers throughout that week.

Please join us, your local 911 and dispatch center, in acknowledging the work of our partners in law enforcement. We appreciate the job that they do, the dangers that they face and the commitment they must have in order to protect our community. We have deep gratitude for those who are or have been police officers, with the greatest honor for those that have lost their lives.

The Administration and Staff of Klamath 911 Emergency Communications District would like to extend their special thanks to the officers of our local law enforcement:

Klamath Falls PD	Klamath County Sheriff's Office	Malin PD
Merrill PD	Oregon State Police	OIT Security
Parole and Probation	Crater Lake National Park	

And those from other agencies who serve locally.

UPRR Police	BNSF Police	AMTRAK Police
USNF Law Enforcement	BLM Law Enforcement	

Remember 9-1-1 is for emergencies only.
